In Center of Flaming 160-Mile North Korean Front, the South Korean 6th and 8th Divisions Press a Double-Pronged Assault That Topples Five-Way Rail and Highway Junction of Pyongyang

By Howard Handelman  
Far Eastern Director, INS

TOKYO, Oct. 12 — (INS)—Armored American spearheads rammed today into the environs of Kumchon, key junction on the main rail-highway route to Pyongyang, after gaining another four miles in a drive up western North Korea.

Repulsing two more Communist counter-attacks, the U. S. First Cavalry Division's Eighth Regiment thrust advance combat patrols to a point ten and a half miles north of the 38th parallel by late Thursday.

On the regiment's right (east) flank, British troops smashed forward to a point 15 miles above the artificial border and came within 12 miles south of Sibyon.

The latter is a four-way hub controlling a web of important roads. It is 68 miles southeast of Pyongyang, the North Korean Red capital.

In the center of the flaming 160-mile North Korean front, the South Korean Sixth and Eighth Divisions pressed a double-pronged assault that toppled the five-way rail and highway junction of Pyongyang.

Pyeonggang, 28 miles north of the 38th parallel and 51 miles south of the Allied-held North Korean eastern port of Wonsan, bestrides the railroad that runs almost due north from Seoul to Wonsan.

At Wonsan, this artery is linked with routes leading to Red Manchuria and thence to Soviet Siberia. The ROK (Republic of Korea) Third and Capital divisions reduced lingering Red rearward resistance inside Wonsan to sporadic sniper fire and jabbed patrols beyond the port city to the west and north.

One such patrol reportedly advanced a mile west of Wonsan along a road that traverses the narrowest section of the Korean Peninsula 93 miles westward to Pyongyang.

This appeared to be the beginning of a drive to slice directly across the deep rear of the Communist divisions resisting the northward advance of some 65,000 United Nations troops into the North Korean heartland.

At Wonsan, the ROK Third and Capital Divisions were 105 road miles north of the 38th parallel and thus deeper in enemy territory than any other UN forces.

## Union Service of Thanks Arranged by Clergymen

The hour set for the union Thanksgiving service in Bristol Presbyterian Church, on Thanksgiving day, is 9:30 a. m. This decision was made by members of Bristol Ministerium, who met in that church yesterday, with the Rev. George E. Boswell, rector of St. James' Episcopal Church, presiding. The speaker at the Thanksgiving service will be the Rev. Rowland Carlson, pastor of Harrison Methodist Church.

Telford Eppey, secretary of Bristol Y. M. C. A., asked support of the clergy in some plans for the Y. M. C. A.

Training school for church school workers, planned for January, were discussed.

## 200 FIRE COMPANIES EXPECTED TO COMPETE

Parade Will Feature 64th Annual Convention of N. J. Ass'n

SATURDAY, OCT. 14TH

TRENTON, N. J., Oct. 12—Some 200 fire companies are expected to compete for prizes next Saturday afternoon in the feature parade of the 64th annual convention of the New Jersey State Exempt Firemen's Association.

In addition to prizes for New Jersey fire companies, awards will be given in several categories to out-of-state firemen's groups.

The state capital will be decorated for the occasion and thousands of visitors are expected to see the big parade. Bands, ladies auxiliaries, rescue units, and other groups will participate. This year's parade is expected to be bigger than the 1929 affair, held on the 25th anniversary of the founding of Trenton.

Two reviewing stands will be set up, one in front of city hall, and the other before the Hamilton township town hall. The parade, which will be about five hours long, will get underway at two p. m., with lines being set up earlier in Stacy Park and on streets north of State street and west of Warren street.

The parade will end at the state fair grounds, and a luncheon will be served to all participants.

The following prizes will be awarded:

Fire organization having the largest number of men in line with band.

Best appearing regulation uniformed company with band. Not less than thirty men.

Company coming longest distance with apparatus.

Oldest apparatus in line. Credentials must be furnished.

**BURLINGTON COUNTY'S TWO BRIDGES SET NEW REVENUE AND TRAFFIC RECORDS FOR TWENTY-THIRD CONSECUTIVE MONTH**

PALMYRA, N. J., Oct. 12—For the twenty-third consecutive month, Burlington county's two bridges continued to set new revenue and traffic records.

During September, the Tacony Palmyra and Burlington - Bristol bridges produced revenues of \$184,579.11. Fred C. Norcross, Jr., secretary-treasurer of the Burlington County Bridge Commission, reported.

This was an increase of \$28,786.70 or 18.48 per cent over the same month a year ago, he added.

The record - breaking month boosted the total revenues earned by the spans since their acquisition by Burlington county to \$3,334,456.40, Norcross said.

During the 30-day period, a total of 672,701 automobiles, trucks and buses traveled over the spans.

This was an increase of 96,857 or 16.82 per cent compared with the traffic count for September, 1949.

Since the bridge commission assumed operation of the spans, Norcross added, a total of 12,352,738 vehicles have traveled over them.

The bridges have produced revenues of \$1,488,180.93 since Jan. 1, an increase of \$244,178.73 or 19.63 per cent over the same period in 1949. During the nine-month period, 5,476,443 vehicles have passed through the toll gates, an increase of \$12,840 or 17.43 per cent.

A breakdown of the September report, Norcross said, disclosed that the Palmyra span's revenues totaled \$157,149.39, an increase of \$23,855.25 or 17.99 per cent over the same month a year ago. The traffic count on the bridge was 571,996 vehicles, a gain of 78,175 or 15.83 per cent.

The Burlington bridge's September revenues totaled \$27,429.81, an increase of \$49,727.45 or 21.99 per cent. During this period, 100,795 vehicles traveled over the Burlington bridge. This was an increase of 18,682 or 22.75 per cent.

## THE ROLE OF THE AMERICAN NATIONAL RED CROSS IN CIVIL DEFENSE

In discharging its responsibilities for leadership in the civil defense planning activities of the Federal Government, the National Security Resources Board has collaborated with the American National Red Cross in preparation of the following statement which defines broadly the role which the Red Cross will undertake in planning and operation of certain civil defense programs:

"The American National Red Cross has long served as a nationwide agency through which the American people voluntarily extend assistance to families and individuals in need as a result of disasters. The non-governmental phases of responsibility for natural disaster relief are discharged by the Red Cross under authority of an Act of Congress. This responsibility pertains to disaster such as floods, tornadoes, fires, earthquakes, and epidemics which occur in peacetime as well as in wartime. In addition to services in disaster, the Red Cross has traditionally provided public education in home care of the sick, first aid, and other health protective measures.

"The protection and care of families and individuals subjected to enemy attack is a basic responsibility of all Governmental groups. It is expected that volunteer agencies participating in civil defense, including Red Cross, will serve under the general direction of responsible Governmental Agencies.

Because of the limited funds and facilities and the magnitude of the problems that arise in war disasters, the American Red Cross cannot be expected to assume responsibility to the extent that it does in natural disasters.

"However, the experience and resources of the Red Cross in its disaster program and other community services programs can be utilized to advantage by the Government in planning and operation of civil defense. Because of its existing organization and long experience in national disaster relief activities, Red Cross representation on state and local civil defense planning groups should be encouraged.

"The American Red Cross has agreed to assist to the extent of its ability in the development and operation of a program of civil defense on national, state and local levels. In the following specified phases:

"(a) Training civil defense workers and the general public in first aid.

"(b) Training in home care of the sick and injured, and nurses aid activities.

"(c) Provision of food, clothing, and temporary shelter on a mass care basis during an immediate emergency period.

"(d) Participation in a wartime nation-wide blood program; and

"(e) Making available its existing resources for civil defense purposes.

**RESTAURANT OWNERS SUED BY BROKER**

Wm. C. Heise, Quakertown, Brings Action To Get Commission on Deal

DEAL FALLS THROUGH

DOYLESTOWN, Oct. 12—A real estate broker is suing a restaurant owner in a civil court action now being heard.

William C. Heise, 6 Front street, Quakertown, a real estate broker, is suing Ray M. and Marguerite M. Trainer for \$15,000 with interest as part of a real estate commission in connection with a deal which never was consummated.

The plaintiff, in an action in assumpsit trial, now being held before Judge J. Calvin Wright, Bedford county, testified that Trainer's Restaurant did an operating business for one year, around 1949, of \$830,000.

He testified how, after several conferences with the defendant and his wife, Louis Bauerle, Curtin Gappert and a former Hotel Bethlehem manager, William L. Jones, the terms of sales were discussed.

"The defendant wanted \$60,000 in cash, \$180,000 on a mortgage and \$60,000 on a secured note which was to be paid in five years. He wanted \$300,000 for his restaurant Jan. 2, 1949," testified the Quakertown realtor.

"The deal fell through because the defendant never produced certified auditors' reports for three years of operation of business," said the plaintiff. "We also wanted an appraisal," said Heise. "Mr. Trainer refused."

We should all be grateful to Columbus . . . if he hadn't left the old world to seek the new world how would the new world ever have gotten all involved in the affairs of the old world?

But we can thank a woman's curiosity for the discovery of our continent . . . when Columbus said "what do you suppose is out there?" Isabella just had to find out.

It cost her a lot of money but it was worth it to be able to say to the queen next door "I know something that you don't know."

## "STAGGERING" PROBLEM FACED BY BENSALEM SCHOOL DIRECTORS AS HUGE POPULATION GROWTH IS SEEN

Considerable Portion of October Meeting Giving Over To Consideration of Constant Growth in School Population, Which Has Reached 1607—Name New Teacher, and a H. S. Custodian—Authorize Purchase of Truck

CORNWELLS HEIGHTS, Oct. 12

—Considerable portion of the business meeting of Bensalem township board of school directors, last evening, was spent on consideration of huge anticipation of growth of the township. The school superintendent, William Shellenberger, had last week attended a conference in Philadelphia, conducted by the Greater Philadelphia-South Jersey Planning Council, and indications at that session were there will be tremendous growth for this area during the next few years, Mr. Shellenberger reported.

A "staggering" problem is presented to the school district, it was pointed out, with long-range planning necessary as new families are moving to the section each week.

Enrollment figures presented by Mr. Shellenberger showed growth in school population from 1585 to 1607 since the start of the term, with considerable and regular gains expected each month this term. Enrollment figures given last night for the schools follow: High school, Cornwells Heights, 657; elementary grades—Andalusia, 154; Eddington, 63; Penn Valley, 66; Cornwells Heights (morning sessions), 221; Trevoze, 243; or total of 950 in elementary grades.

Preliminary plans for addition of class rooms to the Andalusia building have been approved by the state department.

The major item discussed under school plant was the arrival of equipment for the home economics and industrial art shop. The power tools are now in operation in the shop; and appliances are being connected this week in the home economics department. In connection with this the board plans "open house" possibly during American education week, the second week in November. Those two departments as well as others may then be inspected by the public.

The board elected John McMichael as teacher of mathematics in the junior high school, to succeed Robert Bach, who has resigned.

Directors revised the procedure of handling high school activities accounts. The board authorized purchase of a truck for transportation of supplies and equipment from one school building to another.

Schools in Bensalem township will be closed Monday, Oct. 23rd, for participation in the second day of the Bucks County in-service training program.

## TASK AHEAD IN KOREA

The victory in Korea has been won by American troops and American power. President Syngman Rhee has returned to Seoul because the United States poured tremendous numbers of men and great amounts of material into the fight. The victory has been costly to this country in lives and in treasure.

For the first time since World War II ended, a capital taken by the communists has been wrested from them. Korea has not become another Bulgaria, Czechoslovakia or China. The communists resorted to naked force in Korea and suffered a jarring defeat because the United States intervened in the name of the United Nations and the UN Security Council supported such action. Some members of the UN gave token assistance in the fighting. Presumably, the UN will arrange the peace settlement that will come eventually.

The goal must be a united, peaceful, free and prosperous Korea. This goal may be difficult of attainment for various reasons, including the proximity of Korea to the communist colossus. American troops can maintain order for a time. American wealth no doubt will be applied to the task of restoration. But Russia, no doubt, regards its setback in Korea as temporary.

## MORE FREIGHT CARS

American railroads reveal they are adding 122,000 new freight cars to their present number of 1,850,000 this year. This is a record increase. The roads were stirred to action mainly by the quickening tempo of the preparedness program.

An adequate freight car supply can be of assistance in combating inflation. Frequently prices are high in spots despite great supplies of a product at the source of production. Lumber is an example. There weren't sufficient cars to meet the demand at consuming points throughout the country. The wheat belt has an annual bout with the inadequacy of grain cars in the harvest period.

Apparently the Army, which is "running" the railroads, is allowing private management a free hand except in the matter of wage settlements. Rail management is still capable of acting for expansion in line with the needs of the nation. This is fortunate. If the government were really running the railroads, rail service would be no better than postal service.

Because the squirrel's tail is big and bushy, the country is in for a long, cold winter—unless the goose's wishbone decrees otherwise, that is.

It is said that more than half the people of the United States cannot prove they were ever born. Lately there have been occasions when many would have denied it anyway.

Mayor of Chicago says "every ordinance in the book is being enforced." There are a few citizens, however, who wonder if the authorities have lost the book.

Meetings of importance to all Councils in the Region are held in sections so that the representatives of the Council will have an opportunity to take part in training which is vital to the progress of the Bucks County Council. Chief Scout Executive Arthur A. Schuck will be the principal speaker at the main event of the program. A special meeting for Council Presidents and a meeting for Scout Executives will be held on Thursday evening.

As the results of the recent Capital Campaign for the work of the Bucks County Council, Boy Scouts of America, plans are being made for development of Camp Ockanickon to properly take care of the increasing number of boys who make use of the camp. The Sellersville Kiwanis Club has almost completed the erection of an Adirondack Cabin in the Hopi Campsite and plans have been made for the erection of Adirondacks and Wash Houses at each of camp sites at Ockanickon. The Lenape Campsite will have five Adirondacks, all of which have been presented by organizations or individuals in Quakertown and the site will be named Quabosco.

Plans to enlarge the Palmer Lodge are under way and the project for bringing water from the Tolkickon Creek is progressing with pipe from the swimming pool to the creek being placed in position. Other improvements will be made to the extent of the funds which are available. Forty-three thousand dollars have been secured thus far in the campaign of \$60,000.00 which was conducted in August. House Car which had been used as a general utility truck at camp. During the month of October the Bucks County Council Boy Scouts of America will have a part in the National Round-up and Roll Call which is being conducted throughout America. Commissioners, Council Members, District Committeemen and Unit Committeemen are engaged in making a formal Roll-Call and Inspection in every Unit in the Council Area. The Inspection is not competitive but does however give each unit pride and accomplishment in good appearance and good uniform. The Inspection and Roll Call is part of the National Crusade to Strengthen the Arm of Liberty which has been underway for the past year and a half in Scouting. With the accomplishments based on set goals for the year.

Without Painful Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today! ## SUBURBAN NEWS

## CROYDON

Mrs. Wilmer Gosline, Rantoul, Ill., arrived at the home of her parents, Mr. and Mrs. Russell Everett, on Oct. 2nd.

## YARDLEY

A covered dish supper is arranged for Tuesday evening next in the local parish house for members of the Ladies Auxiliary of the Veterans of Foreign Wars, who will have post members as guests.

## ANDALUSIA

Den four of Andalusia Cub Scouts held its Tuesday evening meeting at the home of den mother, Mrs. Paul Schauberg. The meeting opened with singing of "America" and den songs. Dues were collected and minutes were read by David Smith, keeper of the bucks. There were 16 members and two visitors present. There will be no regular meeting on Oct. 17th. Instead the boys will meet after school at the home of Mrs. Arthur Schurbert, then make a tour of the Northeast Airport. Boys are asked to wear uniforms.

The monthly meeting of the Women's Fellowship of the Episcopal Church of the Redeemer, held Monday evening in King Hall. The Rev. Charles Finch spoke to the women in regard to the church budget. Plans were made for a "get together" in December. Refreshments were served. This organization meets on the second Monday of each month in King Hall. Women of the community interested in joining may call Corn. 0974 for information.

## HULMEVILLE

A party on Saturday marked the 10th birthday anniversary of Gertrude Semeley. The guests who gathered at the home of her parents, Mr. and Mrs. Elmer Semeley, were: Mr. and Mrs. John Dunn, Jr., and daughter Deborah, and son Richard, Mrs. John Dunn, Sr., Mrs. Leon Semeley, of Bristol. The latter was a guest at the Semeley home here from Saturday until Monday, and on Monday Miss Pearl Semeley, who has been a patient in Germantown hospital, returned to her Bristol residence.

Mrs. E. D. Atter was hostess at her home yesterday at a covered dish luncheon, a benefit for the Woman's Society of Christian Service, Neshamony Methodist Church. The following were present: Mrs. Christian Tomlinson, Langhorne; Mrs. G. A. Japchen, Middletown; Mrs. Frank Harper, Bensalem; Mrs. C. Wesley Hafner, Mrs. Harry Beck, Mrs. Edward Stiles, Mrs. Samuel K. Faust, Mrs. Hugh B. Webster, Mrs. Mark Shapcott, Mrs. John Corin, Mrs. Adolph Holzworth, Mrs. Robert Phenger and daughter Patricia, Miss Ade-

## "Uncle Miltie" Brings Fame to Yardley Farm

YARDLEY, Oct. 12 — "Point-a-View" Farm, here, has acquired considerable fame through one of its colts, "Uncle Miltie," a Belmont winner.

"Uncle Miltie" captured the \$25,000 Champagne Stakes at Belmont on Monday. The two-year-old colt, nominated for next year's Kentucky Derby, thus joins other notable horses as winner of the rich mile event. The time of Count Fleet when he was winner of that

event was 1:34 2/5, while "Uncle Miltie's" time was 1:38 2/5. According to Steven Colando, of the farm, "Uncle Miltie" will probably make his next start on Nov. 1st in the Wakefield Stakes at Jamaica.

Trainer never told me the deal was off."

The plaintiff testified that Feb. 22, 1949, he, and W. L. Jones met to discuss the sale of the restaurant. "We met again the first week in March, the middle of March and again March 13, when Mr. Jones and Mr. Bauerle were present."

"March 24, Mr. Jones and Mr. Bauerle made their first business proposition. April 19, with Jones, Bauerle and Curtin Geppert present, there was a verbal agreement and the defendant said 'It sounded all right' the plaintiff testified. He admitted there never was any down money payment made."

William L. Jones, food operator, restaurant and hotel consultant, Bronxville, N. Y., testified that one year 'Trainer' made a profit of \$42,000, doing more than \$800,000 worth of business."

"May 2, 1949, I got a telegram in which Trainer wired, 'Call off the deal. Dissension with wife and daughter on deal.' We offered to purchase the restaurant March 25, but that offer was not accepted. We made another offer April 19."

"Mr. Trainer's son-in-law escorted me through the restaurant for a bird's-eye-view and I went back several times, once with Louis Bauerle," testified the restaurant expert.

## American Spearheads Ram Environ of Kumchon

Continued from Page One

ing officer in Tokyo said late Thursday that the capture of Wonsan means "the enemy has lost his anchor" for a full defense of North Korea.

The spokesman cited air and ground reconnaissance reports stating a general enemy withdrawal was in progress west and north from the vicinity of Wonsan. He said the Red high command apparently is concentrating remnants of its remaining divisions for a defense of Pyongyang.

An estimated 8,000 to 10,000 Communist troops were observed moving west toward Pyongyang in two separate groups.

The South Korean news agency Tahan reported meanwhile that a North Korean Divisional Commander, Brig. Gen. Hong Chul, surrendered last Saturday in the fighting below Wonsan. He was the first North Korean officer of General rank to be taken prisoner.

MacArthur announced in a Thursday afternoon communique that the First Cavalry Division beat off two new enemy counter-offensives and scored gains ranging up to four miles in the western sector of the North Korean front.

The UN Supreme Commander's briefing officer later said the First Cavalry's Eighth Regiment had thrust patrols along the main rail-highway line to Pyongyang to points ten and a half miles above the parallel.

This regiment, bearing the brunt of stiff enemy resistance, ran into additional minefields, the spokesman said. But he added that the intensity of the Red opposition was gradually decreasing as the battle

to blast open the road to Pyongyang raged through its fourth day. "Once we are past the minefields and mountainous defenses south of Kumchon, we may have a clear field," the briefing officer declared.

He added that the North Korean high command was exerting a desperate effort to "make a cohesive whole" out of its shattered divisions and whip them into fighting shape.

"But," said the officer, "the battle may be moving too fast for the Communists to accomplish this."

In a front dispatch received at 3:52 Thursday afternoon (1:52 a. m. Thursday EST) International News Service War Correspondent Irving Levine said the Eighth Cavalry Regiment fought its way to a point seven miles beyond the parallel by Thursday morning.

Subsequently, the regiment was able to push its vanguards another three and a half miles north to within sight of Kumchon, 12 miles above the parallel.

## Name Mrs. Ralph Hart School League Treasurer

TULLYTOWN, Oct. 12—Thirteen attended a meeting of the Home and School League on Tuesday evening in the school house. Mrs. John Walterick, president, was in charge.

Mrs. Ralph Hart was elected treasurer to replace Mrs. Walter Strouse, who resigned last month. Plans were made to hold a card party on Nov. 1st with Mrs. Carter Ross as chairman, assisted by Mrs. Ralph Hart, Mrs. Earl Johnson and Mrs. Augustus Gross. The banner, awarded for the month, was a tie between Miss Elsie Ettinger's and Miss Margaret Faughnan's rooms, and each child in both rooms will receive a bar of candy. Three chairs are to be purchased for Miss Faughnan's room, and the other two teachers will receive a check for \$15 each to spend on their rooms.

Refreshments for the November meeting will be in charge of Mrs. Helen Nichols and Mrs. Margaret Swangler. Flowers were sent to Mrs. Anna Gilardi, who is ill. Refreshments of cider and doughnuts were served by Mrs. Walterick and Mrs. Helen Nichols.

## Transact Much Business Hold Masquerade Party

A number of items of business were discussed by members of the Mothers Association at their business meeting in the high school cafeteria last evening.

In conjunction with this there was a Halloween party, with judges deciding that costume of Mrs. Horace Jeffries was most original, and that of Mrs. Walter Cooper, the funniest. Mrs. Frank Kelso won the peanut hunt; and Mrs. Cooper and Mrs. Thomas Sharp, the apple ducking contest. Mrs. Robert Bowers and her committee arranged the entertainment; and Mrs. Pasquale D'Alenzo and her aides served cider, coffee, doughnuts, and candy.

Tentative plans were made for a bus trip to New York, N. Y., in November, and those interested may contact Mrs. Horace Jeffries for information. The organization voted to donate \$25 to the high school dramatic club; also to place an advertisement in "The Rambler," the high school paper; and an advertisement for American education week (Nov. 5th-11th) in The Bristol Courier. A pinocchio party is planned for Oct. 25th. Mrs. Arthur Hinckley being general chairman; and Mrs. Jeffries in charge of refreshments.

Miss Barbara Yerkes, girls coach, showed to the women samples of sweet suits for girls of the hockey team, these being donated by the association. The "mothers" will prepare and serve lunch in the cafeteria on the occasion of the teachers' workshop, Nov. 16th and 17th.

**FILL IN TABLES**  
EDGELY, Oct. 12—There were 14 tables of pinocchio players at the party sponsored last evening by the Ladies Auxiliary in Edgely Fire Co. station. High scorers were: Mrs. J. Everitt, 794; Edna Bintliff, 786; James Keefer, 775; Mrs. M. Walter, 775; and Mrs. Stackhouse, 769.

## Polio Quarantine Is Still On In Upper Bucks

SELLERSVILLE, Oct. 12—A strict polio quarantine continues for all children under 18 years of age in the Sellersville-Perkasie area. All schools in the section are closed, and children are not allowed to attend any public or private gatherings, including Sunday School, and may not even enter stores.

While most schools in the Upper Penn Valley remained closed, one school district, Hilltown township, has reopened its schools. Supervising principal John M. Grasse announced the reopening of the schools yesterday following conferences with several local physicians. The schools had closed earlier this week when two cases of polio developed in the Sellersville-Perkasie high school.

No polio has been reported in Hilltown township, and the doctors felt it was unnecessary to continue the quarantine, although there has been intermingling of pupils from the two districts.

The quarantine in Sellersville-Perkasie is scheduled to end Monday, according to the local board of health. Other schools which have closed in the area are West Rock-

## Announce Parking Restrictions at Yardley

YARDLEY, Oct. 12 — Council President George Bennett has announced a new list of proposed parking regulations for Yardley, which will restrict parking in the Main street and Afton avenue areas.

Under the proposed ordinance, parking on N. Main street will be restricted to the east side of the street, from Dolington road to County Creek bridge. From the bridge to Afton avenue, no parking will be permitted on either side of Main street.

A parking limit of two hours would prevail for east side parking on S. Main street, 45 feet south of Afton avenue to 15 feet north of the fire house entrance. Fifteen feet south of the fire house to Reading avenue, parking will be limited to the east side of Main street, except for a posted portion

on the curve, where no parking will be allowed.

No parking will be permitted on College avenue from S. Main street to Pennsylvania avenue; on W. Afton avenue from a point 100 feet west of Main street to Main street; on W. Afton avenue from Lookover lane to the western borough line; on E. Afton avenue, from Canal street to a point 140 feet east of the canal bridge, and on Canal street from E. Afton avenue to 100 feet south of E. Afton avenue.

One side parking will be in effect on the south side of W. Afton avenue from Lookover lane 100 feet west of Main street, and on the south side of E. Afton avenue, from 15 feet east of Main street to 15 feet west of Canal street.

The borough council will take final action on the ordinance sometime next month.

## Miss Elizabeth Tryon Tells of Recent Visit

CROYDON, Oct. 12—Miss Elizabeth Tryon, a local resident, visited Necedah, Wis., on August 15th and Oct. 7th, where the Blessed Virgin Mary appeared according to Mrs. Mary Ann Van Hoof, mother of seven children. Miss Tryon relates that the following, in substance, was spoken by Mrs. Van Hoof to a gathering of over 100,000 people on August 15th and approximately 50,000 on October 7th: "We must pray, pray and pray hard. The time is short! Very short! Only prayer, my dear children, will win you peace. Bullets will only destroy and keep destroying. Keep the ten Commandments! If the above were not done, some people would have very heavy hearts at Christmas, and the year 1951 would be a sad one. We must remember, the time is drawing very close. The black clouds are coming over—not to

Europe, Asia, Africa, Australia—but to America—South and North America. Alaska is the first stepping stone. Remember the Pacific Coast! We have no time to lose. We must act now—at once—for prayer only will save us. We are not to depend upon our neighbors to pray for us—we must pray ourselves."

It was further reported by Mrs. Van Hoof that several times during Oct. 7th the sun changed color, kept spinning clockwise and at one time seemed to have jumped from its orbit. Persons living about 25 miles from Necedah reported seeing the name of Mary written across the sky at about noon—the time of the last of seven apparitions, adds Miss Tryon.

### Today's Quiet Moment

By Rabbi Aron Moskovits  
Congregation Ahavath Achim

Heavenly Father, On this day we are grateful unto Thee for guiding Columbus and his faithful men to the blessed shores of our country. We also give thanks for the many great men who served nobly and endowed our country with the imperishable right to life, liberty and the pursuit of happiness.

O Father, keep our nation forever righteous. Inspire the hearts of all the citizens that make up this great country so that they may consecrate their efforts under Thy guidance to the cause of liberty, equality and justice.

May we remain united in purpose, respecting each others rights; striving with resolute hearts in bringing about permanent peace and thus make our land a mighty force for righteousness among the nations of the world. Amen.

law and sister, Mr. and Mrs. Basil Marandola, Philadelphia.

# PINELLI WINS PITCHING CROWN, SOFTBALL CIRCUIT

"Ernie" Pinelli, slow-ball artist of the Second Ward team, won the pitching championship of the recently completed Bristol Suburban Softball League with seven victories and no defeats.

Second to Pinelli was "Chick" Stansky, fast ball hurler of the championship Second Ward club. Stansky had the amazing average of thirteen wins and two losses. Stansky also pitched a tied game and relieved in three others.

A pitcher was required to have a won and lost average of at least six games to be eligible for the championship.

Anthony Cappello, of the runner-up Franklin team, had a 5 and 1 mark, while "Johnny" Ciambella, of Jefferson, finished with an 8 and 4. "Eddie" Kornichuck participated in 17 games on the mound for Fire Company No. 1.

Three players were deadlocked in scoring the most number of runs for the season. They were: Phil DiNatale, of Lucisano; Steve Clott and Ray Pierandozzi, Jefferson. The trio scored 27 runs. "Nate" Chichiletti, of Second Ward, had 26 runs. Others high in scoring were: Vic Cauti, Jefferson, 25; "Toby" Oriola, Franklin, 24; "Mike" Perrone, Second Ward, 23; and "Jim" Sottile, Second Ward, 22.

The pitching averages:

Player	Won	Lost
Pinelli, Second Ward	7	0
Stansky, Second Ward	13	2
Cappello, Franklin	5	1
Ciambella, Jefferson	8	4
A. Lewis, Jefferson	4	3
Spencer, Franklin	6	5
Kornichuck, No. 1's	9	8
W. Lewis, Auto Boys	3	3
Paolillo, Fifth Ward	3	3

## TRY THIS RECIPE! PUMPKIN PIE

Pastry for 9-inch pie shell  
1 cup sugar  
1 1/2 cups cinnamon  
1/2 cup cloves  
1/2 cup allspice  
1/2 cup nutmeg  
1/2 cup ginger  
1/2 cup salt  
3 eggs, beaten  
1 1/2 cups pumpkin  
1 1/2 cups Carnation Milk (1 roll can)

Line pie pan with pastry. Butter rim. Blend sugar, spices, and salt in mixing bowl. Add eggs, pumpkin, and Carnation Milk. Pour into unbaked pie shell. Bake in hot oven (350° F.) 35 minutes; then reduce heat to 325° F. Continue baking 40 minutes, or until knife inserted in the center comes out clean. Cool.
